Allowed experience

This is a supervised, stationary display experience: holding a staff-approved weapon, shield, helmet, or armor piece for explanation or a photograph. I will not wear or strap on armor, swing or use a weapon, strike a person or object, spar, grapple, run drills, or enter a combat area under this permission. Trying on equipment or any training requires the appropriate additional authorization.

Staff will hand me one approved item at a time, explain safe handling, and supervise me. I will keep weapons pointed away from people, leave protective covers in place, keep fingers clear of pinch points, and return items when asked. I will not handle sharp or live weapons. I will not participate while impaired.

Risks of handling equipment

Heavy or awkward items may fall or cause strain, cuts, bruises, pinched fingers, or damage. Nearby activities, uneven ground, heat, or another person's actions may also cause injury. I will tell staff if an item feels too heavy and stop immediately when directed.

Assumption of risk and release

I choose to participate and accept the risks described in this agreement, including injury, property damage, permanent disability, or death. Risks can arise from my conduct, other people, equipment failure, conditions at

the venue, or ordinary negligence of the covered parties. Safety rules and supervision reduce risk but cannot eliminate it.

RELEASE OF ORDINARY NEGLIGENCE: To the extent Florida law permits, I release the covered parties from claims for injury, death, or property damage arising from this activity, including claims caused by their ordinary negligence or negligent first aid or rescue. This does not release gross negligence, intentional misconduct, or any responsibility that law does not allow to be released.

I am responsible for damage or harm I cause by deliberately breaking safety instructions or by my own negligent conduct, to the extent the law requires. I will not seek reimbursement from the covered parties for risks I validly release here. This does not require me to cover another person's gross negligence or intentional misconduct.

I authorize staff to request emergency help if needed. I remain responsible for my medical expenses. This does not authorize non-emergency treatment without consent or replace instructions from medical professionals.

If one provision cannot be enforced, the remaining provisions continue to apply. Florida law governs; disputes will be brought in a court in Florida with proper jurisdiction. I may ask questions before signing and may decline to participate.

Participant media permission

For photographs, video, audio, and other recordings of me made at FAC public events or FAC-hosted or FAC-sponsored activities covered by this agreement, I permit FAC, FAC member teams, and FAC's authorized event/media partners to use my name, image, voice, and likeness for FAC-related promotion, education, recruitment, event coverage, and advertisements, including paid advertising. Partners may use the material to promote FAC, participating teams, and the associated partnership; unrelated advertising needs separate permission.

I permit reasonable editing, captions, cropping, and combining recordings with other material. Use must not falsely suggest I endorse an unrelated product or misrepresent my conduct. I do not receive payment or approve each use unless a separate written agreement says otherwise. FAC does not receive rights to someone else's copyright merely because I sign this likeness permission.

Permission applies to recordings made from signing through the stated event or practice. Existing authorized uses may continue afterward. A written request to sign@flarmored.org to stop future new uses will be considered; FAC cannot promise removal of copies already distributed by third parties. This permission does not cover private medical details or emergency-contact information.

Review and sign

Review your name, email, phone, event details, and emergency-contact details before signing. Select a filled field to correct it. The same saved value is used wherever a detail appears again.

☐ I am at least 18, have reviewed my information, understand the activity limits and media permission, and choose to sign this agreement.

Participant Signature

Signature Date

My electronic signature has the same intended effect as my handwritten signature. A completed copy and audit record will be retained in DocuSeal, sent to sign@flarmored.org, and sent to my email. Contact details are used for administration and safety. An event-day roster may show my name and completed waiver types; it will not show my email, phone, emergency contact, or signature. A waiver does not replace staff check-in or approval.
